

**Electronic Web Access Agreement for Viewing Student Information
via the Adams 12 Five Star Schools Infinite Campus Portal**

I am requesting to review my student's information on the Adams 12 Five Star Schools Infinite Campus Portal website and agree to abide by and support the expectations. I have read and understand the User Expectations and Computer Requirements. I understand in the interest of security, the District reserves the right to change user passwords or deny access at any time. By signing this agreement, I release Adams 12 Five Star Schools from any and all liability for damages arising out of the unauthorized access to my parent/guardian account.

I agree that I will not share my password or allow anyone other than myself to use the account, including my child(ren). I agree to protect any information printed or transferred to my computer, or destroy the documentation generated from this site.

I understand that three unsuccessful logins disables my account. If my account becomes disabled and locked I will contact my student's school and request the account be unlocked

I have checked that the computer I will be using to access the internet site to view my student's information meets or exceed the minimum requirements and agree that the school district is not responsible for assisting with technical difficulties on my home computer.

Electronic Access to Student Information Regulation

Adams 12 Five Star Schools uses a secure Internet site to enable electronic access to student information to enhance communication between our parents/guardians, students, teachers, principals and administrators.

Rights and Responsibilities

This access is a free service offered to all current and active parent/guardians and students of Adams 12 Five Star Schools. Once a student withdraws or graduates, their account will be inactivated.

Information Accuracy Responsibilities

Information accuracy is a joint responsibility between schools, parents/guardians and students. Each school will make every attempt to ensure information is accurate and complete. If a parent/guardian or student discovers any inaccurate information, they will notify their school immediately. They may be required to provide the necessary documentation of their identity and the inaccurate information which was addressed.

System Requirements

1. Computer with internet access (Windows XP or newer is recommended)
2. Microsoft Internet Explorer 6.0 or higher/Mozilla Firefox for Macintosh
3. 56k modem speed or higher
4. Monitor 800x600 resolution recommended
5. Adobe Acrobat Reader 7.0 or higher

Electronic Web Access Agreement

Each parent/guardian must complete and sign an Electronic Web Access Agreement for viewing Student Information. After verification of this form, the school will establish a parent/guardian account.

Use of the System

Parents/guardians and students are required to adhere to the following guidelines:

1. Parents/guardians and students will act in a responsible, ethical and legal manner.
2. Parents/guardians and students will not set their computer to automatically log into this site.
3. Parents/guardians and students will not attempt to harm or destroy the school or district's data or networks.
4. Parents/guardians and students will not attempt to access information or any account assigned to another user.
5. Parents/guardians and students will not use this Internet site for any illegal activity, including violation of laws. Anyone found in violation would be subject to prosecution.
6. Parents/guardians and students will notify their school immediately if they identify a security problem within the Portal.
7. Parents/guardians and students will not share their passwords with anyone, including their child(ren).
8. Parents/guardians and students identified as a security risk will be denied access to this site.

Limitation of School District Liability

Adams 12 Five Star Schools will use reasonable measures to protect student information from unauthorized viewing. The District will not be responsible for harm or damages arising through unauthorized use of the District's systems or internet. The District will not be responsible for actions taken by the parent/guardian that would cause a breach of confidentiality of their child's information.
